About Vision Minute

See God. See others. See the future.

Welcome to *Vision Minute* — weekly reflections designed to anchor your leadership in **faith, clarity, and purpose**.

Each short message blends practical and spiritual principles to help you see God's hand at work, lead with integrity, and navigate the future with confidence.

*In September 2020, I stepped into the role of CEO at Crossroads and YES TV after more than two decades in pastoral ministry. Throughout my journey, I've learned that leadership is less about position and more about perspective — about seeing clearly and responding

Great leaders build great leaders who build great leaders.
